The End Of Understanding-Willie Nelson

```
G                                    D7
Each time you hurt me you say you're sorry
                              G
I try to understand and say okay
                                   C
But there must be an end to understanding
        D7                                 G
And the end of mine can't be too far away

                                   D7
I try to understand you're only human
                                G
And we all make mistakes everyday
                                   C
But there must be an end to understanding
      D7                                    G
And I know that I just can't go on this way

                     D7                          G
Don't you know that love and understanding go together
C                 G                    D7
Ask too much of one and both will die
    C                                  G
And there must be an end to understanding
      C                  D7                G
And I know someday I'll reach the end of mine
```
