```
D7          G              G7
You're the beating of my heart
            C
You're the twinkling of my eye
          G              E7
You're the joy when I'm living
         A7                 D7
You're the tear drops when I cry

          G               G7
You're the rainbow when it rains
            C
You're the music when I sing
            G           E7
You're the love in my love song
        A7          D7    G
Darling you're my every-thing

            C
You're the beauty of winter
                        G
You're the tenderness of spring
       C
You're romance of summer
        A7                D7
Darling you're my every-thing

          G             G7
You're the keeper of my heart
            C
You're the little birds that sing
          G             A7
You're the true blue of heaven
        A7          D7    G
Darling you're my every-thing
