Could it be you believe that I've been untrue
                       G7          C
Listen sweetheart this just cannot be
                     G                D7          G
For you're the only good thing that's happened to me

     D7                          G
We've had our ups and downs like all lovers do
       A7                         D7
But you know in your heart that I worship you
  G                    G7         C
So don't ever think of setting me free
                     G                D7          G
For you're the only good thing that's happened to me

    D7                           G
We've had our ups and downs like all lovers do
