```
F                                C
You lay so easy on my mind oh so easy on my mind
                                                 G7
Whenever I need you all I have to do is close my eyes
          F                      C
You lay so easy on my mind oh so easy on my mind
                               G7                          C
Wrap me in your warmness and let me feel your body close to mine

Everything you say and do finds me wanting more of you
    Dm                         G7
And each moment brings to life a million dreams
C                                              Dm
Heaven's something real yes it's something I can feel
                                     G7
When I feel your angel touch all over me

          F                      C
You lay so easy on my mind oh so easy on my mind
                                G7                              C
Oh there's not a thought of me your sweet love don't reach to satisfy

Every day I need you more you're the one I'm living for
        Dm                         G7
And the best you'll ever give you've given me

    C
You completely satisfy every need I have inside
      Dm                                    G7
And I pray you'll never take your love from me
          F                      C
You lay so easy on my mind oh so easy on my mind
                                  G7                                C
Oh there's not a thought of me that your sweet love don't reach to satisfy
                                  G7                                C
Oh there's not a thought of me that your sweet love don't reach to satisfy
