G                       C                Am
You waited too long to say that you're sorry
D7                       G
Now I've found somebody new
                               C                Am
I know how you feel when you say that you're sorry
D7                      G
I've felt the same way too

                     C
While we were apart I gave my heart
   A7                  D7
To someone who's love is true
G                       C                Am
You waited too long to say that you're sorry
D7                     G
Now I feel sorry for you

G                       C                Am
You waited too long to say that you're sorry
D7                       G
Now I've found somebody new
                               C                Am
I know how you feel when you say that you're sorry
D7                      G
I've felt the same way too

                     C
While we were apart I gave my heart

To someone who's love is true
