You Were Always On My Mind
-Willie Nelson
Author:Wayne C. Thompson and Johnny Christopher

```
G             D7

Maybe
I didn't love you

Em      G          C

Quite
as often as I could have

G             D7

Maybe
I didn't treat you

Em      G         A7

Quite
as good as I should have

C                 G

If
I made you feel second best

C       G           Am

Girl
I'm sorry I was blind

D7      G     D7    G

You
were always on my mind

D7      C     D7    G

You
were always on my mind

                  D7

And
maybe I didn't hold you

Em       G            C

All
those lonely lonely times

G              D7

I
guess I never told you

Em    G              A7

I'm
so happy that your mine

C                          G

Little
things I should have said and done

C     G             Am   D7
```

For personal educational purposes only

```
I
just never took the time

        G     D7    G

You
were always on my mind

D7      C     D7    G

You
were always on my mind

     Em     C

Tell me     tell me

         G                Am

That
your sweet love hasn't died

G   Em    G       C

Give
me     give me one more chance

  G            Am

To
keep you satisfied

    D7           G

I'll
keep you satisfied

C                           G

Little
things I should have said and done

      G             Am   D7

I
just never took the time

        G     D7    G

You
were always on my mind

D7      C     D7    G

You
were always on my mind
