Yours Love-Dolly Parton
Porter Wagoner [3/4 time]
Author:Harlan Howard

```
G                            D7
May the fruit of my toil  be yours love
                            G
May the food from my soil  be yours love
                             C
And from this moment on may a love that is strong
    D7                  G
That lives on and on  be yours love

                              D7
May the sons that I raise  be yours love
                              G
May the comforts I praise  be yours love
                           C
If I ever get weak may the love words I speak
       D7                   G
And the arms that I seek  be yours love

       C                        G
May the Lord's shining grace  be yours love
       C                  D7
May the happiest face  be yours love
G                             C
May the last fingertips that touch these two lips
  D7                       G
As life from me slips  be yours love

                              C
And from this moment on may a love that is strong
    D7                  G
That lives on and on  be yours love
```
