Yours Love-Waylon Jennings
Author:Harlan Howard
[3/4 time]

```
G                        D7
May the fruit of my toil be yours love
                           G
May the fruit from my soil be yours love
                           C
And from this moment on may a love that is strong
    D7                     G
And lives on and on be yours love

                          D7
May the sons that I raise be yours love
                           G
May the comforts I praise be yours love
                           C
If I ever get weak may the love words I speak
    D7                           G
And the arms that I seek be yours love

        C                      G
May the Lord's shining grace be yours love
        C                 D7
May the happiest face be yours love
        G                      C
May the last fingertips that touch these two lips
   D7                          G
As life from me slips be yours love
```
