**Sing the Glorious Victory**
**Words and Music: Alexcenah Thomas, 1891.**

**Ring, ring out, ye bells, for Easter,**
**Ring, ring out a merry chime;**
**Every heart is full of gladness**
**At this joyous Easter time.**
**Christ arose to ope the portals**
**Of His kingdom bright and fair,**
**And to give us life immortal,**
**That all men His joy might share.**

**Refrain**

**On this day of all most glorious,**
**Chant your joyous Easter lay,**
**For our Jesus reigns victorious**
**Over earth and Heaven for aye.**

**King of kings! we love and bless Thee,**
**Death no longer holds his prey;**
**Jesus rescued us, His children,**
**Man is truly blest today.**
**See, O see the light of Heaven**
**Streaming from the open door!**
**Yes, we know our Lord has given**
**Life and joy forevermore.**

**Refrain**

**Sing we then of life eternal,**
**Joys of immortality;**
**Jesus burst the chains of bondage,**
**And the soul of man is free.**
**Sing of love so strong and matchless,**
**Lasting through eternity;**
**Ring, ye bells, with notes of gladness,**
**Ring the glorious victory.**

**Refrain**
