Santa Pause

Santa Pause

cho: Here comes Santa Pause
Here comes Santa Pause
Randy and spry
Here comes Santa Pause
Here comes Santa Pause
He's a swinging guy.
Patron saint of middle age
He's bringing bedtime cheer
Liberating menopause
With a lusty leer.

Here comes Santa Pause
Here comes Santa Pause
Ain't he a smarty
Here comes Santa Pause
Here comes Santa Pause
The change of life of the party.
Let's drink a toast
To our grey-beard's ghost
And keep our spirits bright
And maybe Santa Pause's nose
Will light our way tonight, tonight.

Here comes Santa Pause
Here comes Santa Pause
In his padded van
Here comes Santa Pause
Here comes Santa Pause
He's a dirty old man.
Carpet walls and carpet bar
And even furred bidet
And on his grill
For an added thrill
He has a red Fur -A-.
