Snatch and Grab It

Snatch and Grab It

CHO: Snatch and grab it, Snatch and grab it,
Better Snatch and grab it,
Baby 'fore it gets away

Opportunity, -- opportunity -- is knockin' at your door!
Opportunity -- knocks but once -- and don't come back no more
So, Better grab it now! Those who know agree!
Never pass up an opportunity you better

Opportunity, -- opportunity -- is knockin' at your door!
Opportunity -- knocks but once -- and don't come back no more. --
So, Grab it in the night! Grab it in the day!
Grab it right now, or it may get away; you better

Opportunity, -- opportunity -- is knockin' at your door!
Opportunity -- knocks but once -- and don't come back no more. --
So, I can hear success knockin' at your door!
This is the chance that you've been waiting for; you better

Opportunity, -- opportunity -- is knockin' at your door!
Opportunity -- knocks but once -- and don't come back no more. --
So, Grab it in Duluth! Grab it in Beloit!
Grab it in Flint, or over in Detroit; you better

Opportunity, -- opportunity -- is knockin' at your door!
Opportunity -- knocks but once -- and don't come back no more. --
So, Grab it when it rains! Grab it when it's clear
Fame can be yours, just grab it when it's here;

Opportunity, -- opportunity -- is knockin' at your door!
Opportunity -- knocks but once -- and don't come back no more. --
So, Grab it when it's cold! Grab it when it's hot!
Grab at the time when you can grab a lot;
