A La Puerta Del Cielo

A La Puerta Del Cielo

A la puerto del cielo vendan zapatos
Para los angelitos que andan descalzos

cho: Duermete, nino, duermete, nino
Duermete, nino, arru, arru

A los rinos que duerman Dios benedice
A las madres que velan Dios las assiste

English translation:

At the gate of Heaven little shoes they are selling
For the little bare-footed angels there dwelling.

cho: Slumber my baby, slumber my baby
Slumber my baby, arru, aarru.

God will bless children who go to sleep
God will help mothers who pray.
