Lay This Body Down

Lay This Body Down

Oh graveyard, oh graveyard
I'm walking through that graveyard

Lay this body down

I see the starlight
I'm walking through that starlight

I see the moonlight
I'm walking through that moonlight

I lie in the grave
I'm lying in that graveyard

I go to judgement
In the evening of the day

My soul and your soul
Will meet on that day

Oh graveyard, oh graveyard
I'm walking through that graveyard
