One Dime Blues

One Dime Blues
(Blind Lemon Jefferson)

I'm broke and I aint got a dime,
I'm broke and I aint got a dime,
I'm broke and aint got a dime,
Everybody gets in hard luck
sometime.

You want your friend to be bad like
Jesse James ?
You want your friend to be bad like
Jesse James ?
You want your friend to be bad like
Jesse James ?
Just give'm a six shooter and
highway some passenger train.
